PASSION FOR TRAVEL

Discover Tuscany staying at Montecatini Terme, from where you can explore the landscape and culture of Tuscany with beautiful optional tours by bus or train, feeling every night comfortably "at home".

The combination of culture, nature and tasty food makes Tuscany a dreamland of living art.

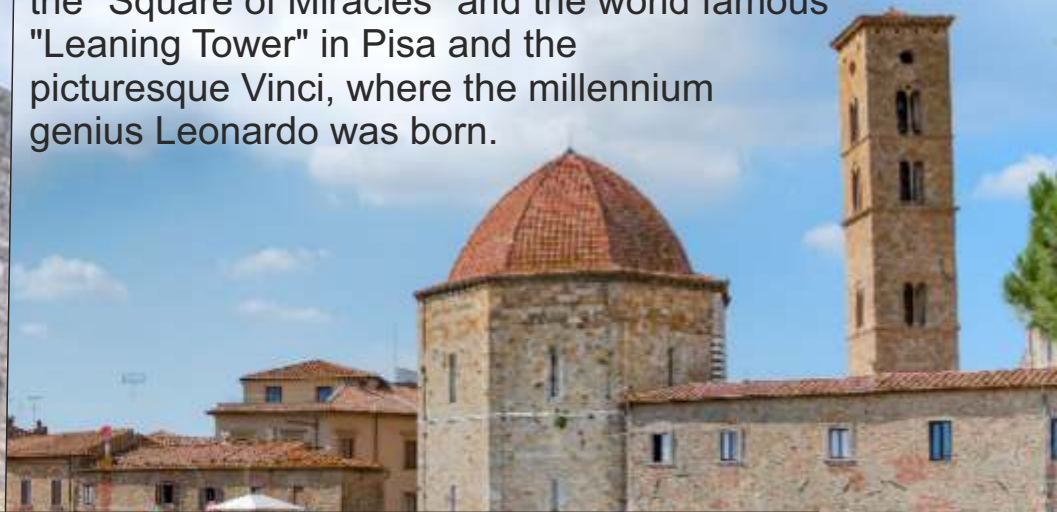

Just a few kilometers between some of the greatest cities in Italy, a good starting point to discover its surroundings:

The beautiful Siena and the towers of San Gimignano, the art and renaissance in Florence, the fortified Lucca, the "Square of Miracles" and the world famous "Leaning Tower" in Pisa and the picturesque Vinci, where the millennium genius Leonardo was born.

Since Etruscan times, Tuscany is the cultural heart of Italy. Among the many historical and picturesque towns, the gentle rolling hills of the Chianti wine covers the country: Silver from the leaves of olive trees, golden from the ears of wheat fields, red earth of the Siena, bright white of the marble quarries and green of vineyards and pine. And the Tuscan wines are worth a visit!

Chianti, Montalcino, Montepulciano, Carmignano, San Gimignano, Tuscany is home to some of the world's most notable wine ! Follow us on an unforgettable Tuscany tour!
