PASSION FOR TRAVEL

Few places on earth have as much art and architecture from the Middle Ages and the Renaissance, viewable where it was created, as Italy does.

Discover the works of masters such as Michelangelo, Giotto, Botticelli and Leonardo, in art and in buildings.

Travel through Umbria and Tuscany, seeing and learning about the incredible art and architecture of Perugia, Siena, Florence and Pisa before arriving in Rome and immersing yourself in its masterpieces at the Vatican, St. Peter's and elsewhere.
