

EXPERIENCE ARGENTINA - between wildlife watching, stunning

Magellanic penguin colony, traditional sheep farm, lamb barbecue & wine

Experience a coastal whale watching on board a Land Rover truck, with trekking at El Doradillo beach and Las Canteras beach. Enjoy a light lunch and infusions and sweet treats in the afternoon. Place of incredible beauty. Observe birds, know the landscape and enjoy from above unique colors, sounds, natural beauty and amazing Southern Right Whales. At Punta Flecha, visit the Baliza and permanent Observatory by the Patagonia Natural Foundation. Last stretch of trekking to get to Las Canteras, sit for a while, and from the beach, admire the whales pass by.
Season: from mid-June to early October

Unique Valdés Experience. Lamb Barbecue at a typical Estancia. Visit the largest Magellan Penguin Reserve of the world, watch elephants seals, Orca and wild Fauna. Experience the Sunset with Whales Watching in Puerto Pirámides, the best hours of light to photograph these cetaceans. Season: Sept/Nov.

Only Whales - Southern Right Whales Watching from a Boat at Peninsula Valdes, Unesco World Heritage Site, in Puerto Piramides. "Eubalaena australis" every year migrate to our waters to breed. You can opt for the traditional navigation on an open boat, or for a ride in the Yellow Submarine, where these amazing mammals can be watched underwater.

Explore the Wildlife Reserve Punta Tombo, the world's largest Magellanic penguin colony (Spheniscus Magellanicus) from September through April.

Explore Peninsula Valdés-Unesco World Heritage Site. Early morning departure towards Peninsula Valdes to Puerto Piramides. Enjoy a boat trip to see whales from June to beginning of December and sea lions and cormorants from January to March. Visit Punta Cantor in Caleta Valdés, geological formations and elephant seals. Good chances of coming across wild land fauna such as guanacos, rheas, foxes, maras (Patagonian hare), armadillos and skunks.

Admire a stunning Magellanic penguin colony with about 500.000 penguins. Depending on the time of year, see Southern elephant seals (Mirounga leonina), Southern sea lions (Otaria flavescens), and eventually orca.
