

GULLIES TOURS
PASSION FOR TRAVEL

EXPERIENCE ARGENTINA - between stunning beauty, gorgeous cities, incredible nature, unique atmosphere, charming people.

Experience Argentinian countryside, its culture and its customs at Capilla del Señor, discovering the town that combines authentic gaucha life with rural atmosphere. Savor typical lunch, visit Native Art Museum. Enjoy a carriage ride or ride a horse!

Experience Glaciers Gourmet on a boat, from Puerto Banderas towards the Upsala Glacier, through the Spegazzini Channel and with a short walk at Puesto de las Vacas. Back on board sail towards Spegazzini Glacier and in the middle of this landscape, enjoy a lunch. Admire the amazing northern wall of the Perito Moreno Glacier. Season: Daily from May to September
Duration: 10 hours
Meals: lunch
To keep in mind: The boat has a Premium sector with limited places

Be a polo player for a day tasting empanadas, local specialties and Argentinian wine. Attend a live professional polo match and have a polo lesson. Play a mini polo match and enjoy a horseback riding!

Discover Estancia Cristina through Lake Argentino on a boat trip to admire the western front of Upsala Glacier and visit Estancia Cristina. After disembarking, board a 4WD vehicle and ascend the Feruglio mountain chain to have a short hike on glacial erosion terrain to reach Upsala Glacier Viewpoint. Return to the ranch to have lunch and visit the Costumbriata Museum and the surroundings. Season: Daily from October to April—Duration: 11 hours

Discover the green lung of Tigre. Driving along Libertador Avenue, through elegant Northern Riverside Vicente López, Olivos, where Argentine President's residence is located, San Isidro, with its neo-Gothic Cathedral and picturesque main square, and San Fernando. A labyrinth of rivers and channels which was favorite getaway for locals for over a century. On a riverboat explore the Delta with riverside villas, Victorian docks, English gardens, lush vegetation.

Experience Iguazu Falls from the air! Enjoy a fascinating aerial view of the waterfalls on a fly-over, which shows the immensity and peculiarities of a unique geological formation, one of the Seven Wonders of the Natural World!
